In Apprenticeships: Learn, Develop & Grow

Free online course for Apprentices from Youth Employment UK and their partners the Careers & Enterprise company.

Taken from: <https://www.youthemployment.org.uk/youth-employment-uks-young-professional-inapprenticeships-online-course/> for educational use only.

For young people who are currently in an Apprenticeship this free programme helps them to build career confidence and career knowledge during their training.

There are 6 modules that they can do that will help them to explore their strengths, their needs, and what they want to do in the future.

By the end of the programme young people will:

- Understand more about the skills needed for life and work
- Master the opportunities that their learning can provide
- Have confidence in understanding the role and responsibilities, rights and how to make work, work for them
- Know more about preparing for end point assessment
- Set goals and future plans.

They will receive a certificate for their CV on completion of each module.
