Registration for the **National Citizen Service Trust – Summer '22 programme** is now open for 16–17-year-olds across England to sign up to secure a place.

NCS offer a space for young people to explore who they are and who they want to be, giving them what they need to become world ready and work ready.

Summer '22 is two weeks of activities, where you meet new people, take on new challenges, and find out what you're made of, and make a positive impact on your local community.
