

Women in STEM 2022 – now open!

Taken from <https://www.linkedin.com/company/study-higher/> for educational use only.

A 3-day residential taking place on Sunday 17th July – Tuesday 19th July 2022

For Year 9 and year 10 students from across Berkshire, Buckinghamshire, Oxfordshire and Swindon.

This is an exciting opportunity to take part in workshops, networking sessions and academic sessions related to STEM subjects.

The aim is to enable students to build up their confidence and recognise their personal skills, helping them with any future education and career choices. Students will also take part in social activities so they can meet other students interested in STEM.

Workshops include:

- academic sessions led by universities
- social activities including a live cookalong
- team building activities
- guest speakers
