

## New Tripadvisor-style feedback feature for apprentices

Source: Billy Camden, June 8<sup>th</sup>, 2022 FE WEEK

Apprentices can now give anonymous feedback and the results will appear on Find Apprenticeship Training thanks to a new Tripadvisor-style review tool.

Apprentices can now give anonymous feedback from their 'My Apprenticeship' account. The results will appear on each training provider's Find Apprenticeship Training webpage for employers and prospective learners to view once 10 responses have been submitted.

The apprentice will be asked to agree or disagree with 12 questions in the feedback survey before being asked to rate their training from 'excellent' to 'very poor'.

Apprentices can start giving feedback three months into their training and can update it every three weeks.
